Hosur Road, Bangalore -27

Action taken report by the stake holders

BBA
2023-24

Stake Holders	Suggestions	Action Taken
Teachers	University Should encourage teachers to participate in the development of curriculum and syllabus	One of our faculty was involved in development of curriculum and syllabus
Alumni	College should increase industry oriented projects and should encourage usage of ICT by the faculty. College should encourage alumni to participate in the alumni meet	Students were advised to do project in the company. All the alumni were intimated to participate in the alumni meet.
Students	College should give more emphasis in developing analytical skills and availability of inter disciplinary courses. Computer lab should be improved with latest configuration systems. Internet speed should be increased. College should conduct more extracurricular activities. Hostel facilities should be increased.	Value added courses like Business Analytics and Entrepreneurship are given to the students. Computer lab is installed with latest configuration computers. Students are encouraged to participate in management fests, seminars and sports.
Employer	Organization should encourage students to contribute to the growth of the industry. College should have more lectures from industry experts.	Students have been placed in reputed companies. Guest lectures were held from industry experts.
