

Alumni Feedback

BBA 2018-19

Purpose:

The purpose of the evaluation of the Curriculum is to ensure the in depth insight of overall development of the Curriculum and overcoming the lacunae which may be the hindrance in the path of learning. It is essential to look into the gaps leading to compromised learning so that learning can be enhanced by better clarity and by filling the gaps with an objective of improving the subject knowledge delivering system at Al-Ameen Institute of Management Studies

Methodology:

A structured questionnaire is administered to the 25 alumni students to take their opinion on the gaps of the institution. The alumni were selected randomly and data was collected. Evaluation forms collected are analysed with the help of percentage method to draw the inferences

Presentation of the analysis:

The data analysed is represented in the form of bar diagram and is supported with the discussion and suggestion.

Outcome:

The outcome of the survey process lead to identification of the lacunae with respect to the Curriculum of the course and its implications. The feedback thus obtained enables the principal to initiate measures to address the deficiencies.
